CSPD Services to Connect Students with our Corporate Partners

FoxNet:

FoxNet is a web-based resume database and recruitment tool used by CSPD and Fox School of Business students. This is where Fox students can find employers looking to hire Business majors for jobs/ internships. To log-in, visit: <https://fox-temple-csm.symplicity.com/>

Fall & Spring Connections:

The CSPD Connections are networking events with employers who are recruiting Fox talent for internships, co-ops and full-time/ post-graduation opportunities. Each Connection hosts 75 – 100+ employers.

Employer Resume Critiques:

Completion of a resume critique is part of the four-step process a student completes to be "CSPD'd." The employer resume critique is an opportunity for Fox students to meet with an industry partner and receive one-on-one feedback regarding their Fox "signature resume."

Professional Development Workshop Series:

Employers offer one-hour presentations on a variety of professional development topics to help students gain knowledge first hand from the employer's perspective.

On-Campus Interviews:

CSPD hosts numerous employers "on campus" each semester to interview Fox students for internships, co-ops or permanent career opportunities. Students can apply for these interviews through FoxNet.

Mock Interviews:

CSPD's corporate partners assist with the professional development of our students through their participation in Mock Interviews here on campus. Students not only get to simulate the interview process, but they also identify strengths and areas for improvement based on employer feedback.

Recruiter-in-Residence:

The Fox Recruiter-in-Residence program is designed to offer students individual meetings with a representative from a Fox industry partner. These drop-in meetings provide students with an opportunity to gain insight into the job search process through valuable one-on-one direction/coaching and to learn about an organization and available job opportunities.

Student Professional Organization (SPO) Speaker Series:

Industry representatives speak to targeted audiences about industry specific topics. fox.temple.edu/cms_career/student-professional-organizations/

Leadership Retreat:

The Fox School is committed to empowering our Fox School of Business student leaders. The annual Student Leadership Retreat is designed to provide students with leadership training they can not only utilize as student leaders, but also as leaders in their professional careers. CSPD's industry partners sponsor, as well as design/facilitate the retreat program.
